Family STEM Days Hoover's Hometown Days

West Branch, IA - On Saturday, August 6th from 11:00 a.m. – 3:00 p.m. the Herbert Hoover Presidential Library-Museum will host Family STEM Days as part of the Hoover's Hometown Days celebration. Inside the museum galleries will be special STEM activities (Science, Technology, Engineering and Math) for families.

Herbert Hoover was the 31st President of the United States. Before he was elected president he was a world renowned mining engineer, often called "the Great Engineer" while campaigning for office. Lou Henry Hoover, his wife, was the first woman to earn a degree in Geology from Stanford University. She also was an accomplished scientist, designer, and engineer.

Activities for Family STEM Day will include 3D printing, virtual reality, architectural and fashion design, dam building challenge, geology with the University of Iowa's Museum of Natural History, robotics with Iowa City West High's FTC Team "Trobotix," arthroscopic surgery with the University of Iowa, land surveying with LiDAR and drones from the University of Iowa Geological and Sustainable Sciences, activities with Iowa Flood Center, and more!

On Saturday, August 6th there will be a one day only special family admission price of \$10. The family admission is for four people, not to exceed two adults, children 5 and under are free.

The Herbert Hoover Presidential Museum is located in West Branch, IA, ¼ mile off I-80 at Exit 254. The museum is open daily from 9:00 a.m. – 5:00 p.m.
